

FEBRUARY 2020

# Waterloo County Wanderers

## MEMBERSHIP UPDATE

We have 60 renewals so far with more on the way. Until February 29<sup>th</sup>, applications will be accepted only from renewing members. Starting on March 1<sup>st</sup>, new and renewal membership applications will be held till March 9<sup>th</sup>. A random draw will then be held to fill the remaining open spaces until we reach our membership limit. So, if you plan on riding with WCW, please get your forms and \$40 fee in to Peter soon (address on the [Application form](#)).

**SHORTEST DAY OF THE YEAR RIDE** Ed reported, "We had an enthusiastic showing of 8. Dan H, Paula & Hans S plus myself from the Wanderers along with 4 GCBT members. The trail was hard and crunchy and required focus. Some of us biked part way on the road. The temperature was reasonable at about -3°C. The more challenging the ride the better the story after!" Thanks you Ed for organizing!

## POT LUCK

Thanks to the help of Christine and Don Weber we have again arranged our annual, pre-season Pot Luck for **March 14<sup>th</sup>** starting at around 5:30 pm at the Waterloo North Mennonite Church, 100 Benjamin Road, in Waterloo near the farmer's market. Plan on joining your fellow Wanderers for an enjoyable evening of comradeship and a fantastic variety of food and door prizes from our supporting stores, Ziggy's, McPhail's and Wheels on Peel. We appreciate volunteer help to set up (starting at 4:00) and tidy up afterwards. Stay tuned for more information.

## RIDE SCHEDULE

A tentative Schedule is posted on our web site. It will be finalized when we have confirmed parking access at each of our host sites. We again ask for your help in "adopting" a week or two by bringing maps to the start of the ride. Please email [WCWanderers@gmail.com](mailto:WCWanderers@gmail.com) and our webmaster, Peter, will ensure that your name gets added to the schedule.
